

FASTNER Professional RX-2-C

20V Cordless Hammer Drill – Brushless

The FASTNER RX-2-C Cordless Hammer Drill is engineered for professional contractors who require reliable performance, durability, and mobility. Featuring a brushless motor and 2.2J impact energy, it delivers efficient drilling in concrete, masonry, metal, and wood.

Technical Specifications

Model	RX-2-C
Motor Type	Brushless
Voltage	20V
Max Output Power	600W
No-Load Speed	0 – 1250 RPM
Impact Frequency	5000 BPM
Impact Energy	2.2 J
Weight (tool only)	2.27 kg
Battery Type	Li-ion
Battery Capacity	3.0Ah

Applications

Concrete drilling, brick and block, wood, metal, general construction and installation.

Package Includes

RX-2-C Cordless Hammer Drill, 20V Li-ion Battery, Charger, Side Handle, Carrying Case, User Manual.
